We are proud to be an Equal Employment Opportunity and Affirmative Action employer, including females, minorities, protected Veterans, and those with disabilities

CAPABILITY STATEMENT

The Dozoretz Group, LLC (“TDG”), is a certified service-disabled veteran-owned and women-owned business providing a comprehensive array of services, such as facility compliance investigations, consulting and assistance in developing corrective action plans, investigation of allegations of civil rights and civil liberties violations and providing interim staffing to remedy critical staffing shortages in such areas as medical, dental and mental health.

Our business solutions can be effectively implemented in various complex situations and customized according to the unique needs of our clients. Our team constitutes experienced and skilled professionals from the fields of law, security, medical, mental health and administration.

ABOUT

TDG successfully met the stringent requirements established by the Department of Veteran Affairs Vets First Verification Program conducted by the Center for Verification and Evaluation (CVE) to receive certification as a service-disabled veteran-owned small business on July 8, 2016. Our market position and experienced staff give us a unique edge to serving our customers effectively and successfully.

OUR MISSION

TDG’s mission is to bring value and make a difference to the detention and correctional process and environment. We offer **management, technical and professional services** to achieve positive changes that benefit our clients, their staff, their detained population and their local communities. Our team of experts builds custom solutions meant to meet specific organization needs.

CORE VALUES

At TDG, we believe in what we do. Our values are shaped by our commitments to our customers.

- **Integrity** – We provide honest and fair services to all our customers. We deal with justice and law abide by the best practices in the industry.
- **Excellence** – Our highly experienced subject matter experts have proven track records of providing outstanding services in their fields of expertise. Together, we can devise better solutions and implement them in our client’s organizations.
- **Innovation** – We strive to identify innovative approaches and share best practices with our clients to benefit management, staff, and the detained population.
- **Responsibility** – We always hold ourselves accountable for our solutions and are fully responsible for it.

KEY PERSONNEL

TDG's President and Owner is a retired Captain with over twenty (20) years in the United States Public Health Service and has, over 30 years, served in various senior leadership positions and roles in the Indian Health Service, Federal Bureau of Prisons, the United States Surgeon General's Office, and the Bureau of Immigration and Customs Enforcement (ICE). Ms. Dozoretz has over five (5) years project director experience in managing medium to large million-dollar contracts to the Department of Justice and ICE requiring extensive knowledge in policy and procedure development, organizational management, budgeting, finance, tactical deployments, responding to congressional and public media inquiries and staff development. In addition to Ms. Dozoretz' over thirty (30) years of health care subject matter expertise in administration, medical staffing, health information, policy development, and conducting medical and financial audits, she has extensive knowledge and expertise in the application of industry recognized standards of the American Correctional Association (ACA), the National Commission on Correctional Health Care (NCCHC) and the Department of Justice Prison Rape Elimination Act (PREA) and the Department of Homeland Security's Standards To Prevent, Detect, and Respond to Sexual Abuse and Assault in Confinement Facilities, enacted in March 2014. Ms. Dozoretz, as the Deputy Division Director of the Office of Detention Oversight in the ICE Office of Professional Responsibility, was responsible for directing, managing and conducting facility compliance inspections for facilities that house ICE detainees across the country. She also participated in the initial creation of the DHS PREA regulations and was the participant in the first DOJ PREA Auditor training program in 2013. Additionally, Ms. Dozoretz was instrumental in revising the Health Records and Information standards for NCCHC, was an NCCHC surveyor and national speaker, and is a former Chair of the NCCHC Board of Directors and a current ACA auditor. Ms. Dozoretz is widely known and respected among her colleagues and associates in the public health, and correctional/detention fields.

Ms. Dozoretz is responsible for all technical, budgetary and financial decisions and is the principal and primary point of contact for TDG.
